1. Upon delivery of the TRAINING MATERIALS, LICENSEE is granted the right to produce or cause to be produced COPIES of the TRAINING MATERIALS. Partial copies of the TRAINING MATERIALS may not be produced, nor may the TRAINING MATERIALS be altered in any fashion.
2. LICENSEE undertakes to use the COPIES only as part of its own instruction, and to furnish them to PARTICIPANTS at a cost not exceeding the cost of producing the COPIES. TRAINING MATERIALS and COPIES may only be used in non-commercial instruction. For the purposes of this agreement, »Non-commercial instruction« is instruction for which no specific fee is payable on top of a possible general tuition fee. A separate agreement is required for use of the TRAINING MATERIALS elsewhere.
3. Neither TRAINING MATERIALS nor COPIES may be given, sold, sublicensed, or otherwise made accessible to third parties, except subject to a separate written agreement with LINUP FRONT.
4. LICENSEE undertakes not to alter or remove any copyright statements, identifying marks, trademarks or marks of property on the TRAINING MATERIALS or COPIES.
5. LICENSEE may produce copies for backup purposes of TRAINING MATERIALS delivered in electronic form. Any other copies, the publication of TRAINING MATERIALS in any form, or the transfer of TRAINING MATERIALS to PARTICIPANTS or other third parties are forbidden.
6. This license to use the TRAINING MATERIALS becomes void once LICENSEE violates the terms of use detailed in this agreement. For each violation, a contractual penalty at LINUP FRONT's equitable discretion will be payable. This penalty is subject to review according to due legal process.

## 5. DELIVERY OF TRAINING MATERIALS

1. TRAINING MATERIALS will be delivered via the Internet by electronic mail or by access to a designated server operated by LINUP FRONT. No exchange or returns are possible. LICENSEE agrees to bear its own cost of access to the TRAINING MATERIALS, and to keep confidential any access information made available by LINUP FRONT.
6. In exceptional cases, TRAINING MATERIALS may be delivered on CD-ROM. The ensuing costs for production, packing, and delivery, including any taxes or customs fees, will be borne by LICENSEE.

## 6. DURATION AND TERMINATION

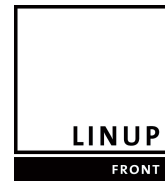

1. This agreement is valid indefinitely unless terminated.
2. The agreement may be terminated by LICENSEE at any time.
3. LINUP FRONT may terminate the agreement at the end of each calendar month, giving eight weeks' notice. The right to extraordinary termination remains untouched.
4. Any termination of the agreement must be in writing. The non-utilisation of TRAINING MATERIALS will not be considered termination of the agreement.
5. Upon termination of the agreement, all media furnished according to 4.2 must be returned, all electronically-delivered TRAINING MATERIALS must be deleted, and all left-over COPIES must be destroyed.

### **7. REMUNERATION**

1. Unless otherwise agreed upon between LINUP FRONT and LICENSEE, an annual license fee is payable for the duration of this agreement. The size of this license fee is subject to a separate pricing agreement.
2. LINUP FRONT reserves the right to adjust the license fee according to market developments and operative necessities. LINUP FRONT will notify LICENSEE of all changes in advance writing by the end of each calendar year, giving 8 weeks' notice. If desired, LICENSEE may terminate the contract as per 5.2.
3. If TRAINING MATERIALS are furnished under the auspices of the LPI AAP programme, no direct payment from LICENSEE to LINUP FRONT is required. In this case, payments will be made under the auspices of LPI AAP to LPI or its local designee.

### **8. WARRANTY AND LIABILITY**

1. Claims by LICENSEE arising from defects presuppose that LICENSEE has complied properly with its obligations as to the examination and notification of defects..
2. Insofar as a defect exists, LINUPFRONT shall, at its discretion, be entitled to supplementary performance by remedial action or the delivery of a new, defect-free object. In the event of remedial action, LINUP FRONT shall bear all expenditure required to remedy the defect, including but not limited to transportation, travel, labour and materials, to the extent that these have not been increased because the object in question has been moved to a different place after delivery.
3. Should supplementary performance fail, LICENSEE is entitled to demand, at its discretion, an abatement of the purchase price or withdrawal from the

contract.

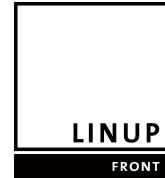

4. LINUP FRONT shall be liable according to statutory provisions if LICENSEE claims damages based on malice aforethought or gross negligence, including malice aforethought or gross negligence on the part of LINUP FRONT's representatives or vicarious agents. Insofar as LINUP FRONT is not accused of a deliberate breach of contract, liability for damages shall be limited to the foreseeable damage typically occurring.
5. LINUP FRONT shall be liable according to the statutory provisions in case of a culpable breach of a material obligation; in this case liability is limited to the foreseeable damage typically occurring.
6. Liability for culpable injury to life, limb, or health shall be unaffected. This also applies to statutory liability according to product liability laws.
7. LINUP FRONT shall be liable for damage to LICENSEE's data processing systems, storage media, or software, occurring through the use of TRAINING MATERIALS, only to the extent of foreseeable damage typically occurring, and only provided that the defect in the TRAINING MATERIALS giving rise to the damage has been caused by a legal representative or vicarious agent of LINUP FRONT by malice aforethought or gross negligence. Statutory rights to the remedy of defects or supplementary performance shall remain unaffected. Further claims on the part of LICENSEE, including but not limited to loss of profits or indirect damage, shall be excluded.
8. LICENSEE shall be obliged to back up its data in adequate intervals. In the event of loss of data for which LINUP FRONT is answerable, LINUP FRONT shall only be liable for the customarily arising expenditure of restoring the data.
9. Any liability not specified above is excluded.
10. Any claims on account of defects shall be barred by limitation in 12 months starting from the passage of risk.
11. These stipulations also apply to COPIES.

### 9. TRADEMARKS

Reproduction of trade marks, service marks and similar monikers within TRAINING MATERIALS, even if not specially marked, does not imply the stipulation that these may be freely usable according to trade mark protection laws. All trade marks are used without a warranty of free usability and may be registered trade marks of third parties.

### 10 STATISTICS

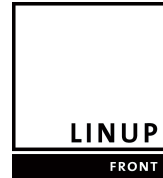

LICENSEE undertakes to notify LINUP FRONT, upon request, of the number of COPIES of any TRAINING MATERIALS produced and utilised. In addition to this, LINUP FRONT welcomes voluntary information about the use of TRAINING MATERIALS according to department, subjects, and forms/grades (where applicable). There is no obligation to disclose this information. Comments on the TRAINING MATERIALS, error reports, suggestions for improvements, etc., are always welcome, but do not give rise to an obligation on the part of LINUP FRONT to act in any way.

### 11. FINAL PROVISIONS

1. This agreement renders void all pre-existing agreements between LINUP FRONT and LICENSEE pertaining to the non-profit use of TRAINING MATERIALS.
2. This agreement is covered by German law only. UN purchase law is excluded.
3. The place of performance and jurisdiction is Weiterstadt, Germany.
4. Any amendments and additions to this agreement must be made in writing. This requirement may only be waived in writing. This also applies to all declarations for which written form is required in this agreement.
5. If any individual provisions of this agreement are or become void, the remaining provisions shall not be affected. Any such provision shall be replaced by a provision coming as close as possible to the intended purpose of the ineffective provision within this agreement.
